

## Peace Boat US

is pleased to invite you to  
Screening of Documentary Film Featuring

# FLASHES OF HOPE

: Hibakusha Traveling the World

Premiers Screening of a Documentary following 100 Hibakusha- atomic bomb survivors. As they travel around the world on board Japan-based NGO Peace Boat's ship, they share their testimonies and call for a nuclear-free world with citizens and politicians globally.

### Speakers:

Akira Kawasaki, coordinator of  
"Global Voyage for a Nuclear-Free World  
: Peace Boat Hibakusha Project"

Erika Bagnarello, film director

### Date:

October 26<sup>th</sup> (Monday)

### Time:

1:15 – 2:45 pm

### Venue:

UN Conference Room 4

Co-sponsored by Reaching Critical Will of WILPF

We request that you please forward this invitation to our colleagues and constituents and invite them to attend what we anticipate will be a fulfilling event.

Please contact us no later than October 21 to ensure that you name is on the appropriate security list. For more information contact Narae Lee, International Coordinator of Peace Boat US : +1 (212)687-7214 / [narae@peaceboat-us.org](mailto:narae@peaceboat-us.org)
